

# Get ahead with a LEMA Apprenticeship in Business Improvement techniques

The LEMA Apprenticeship Programme offers a unique and flexible approach to learning, balancing employment with academy attendance to provide outstanding opportunities to learn new skills and fully prepare apprentices for the Manufacturing Industry.

## A LEMA Apprenticeship offers:

- A full time job in a Business Improvement Techniques role with a local employer (minimum 30 hours per week)
- A guaranteed apprenticeship wage
- Off the job training, working towards an NVQ Level 2 Diploma in Business Improvement Techniques and a Technical Certificate in Business Improvement Techniques
- LEAN Methodology (BiT), an internationally recognised suite of modern business skills.
